May 14, 2009

The California Surf Museum Board of Directors is excited to host the 2nd Annual Gala Fundraiser in its new state-of-the-art exhibition facility at 312 Pier View Way. Guests will have the opportunity to view the museum's collection as a backdrop to the party and obtain a sense of the depth of surfing lifestyle and culture. The funds generated from the Gala will go towards building this museum into a premier institution, enabling it to expand its collection and archives to achieve accreditation, and providing a comprehensive audiovisual component to the museum experience.

Come join us and spend an evening in a relaxed party atmosphere, mixing with like-minded individuals, enjoying fabulous food prepared by some of Oceanside's finest restaurants and help us fulfill our mission.

The California Surf Museum serves as an international repository and resource center on the lifestyle sport of surfing through capturing, preserving and chronicling its art, culture and heritage for the education and enjoyment of future generations.

The California Surf Museum is a 501(c)(3) non-profit organization.
